Price hike is ridiculous. What have they done or going to do to deserve this rate hike.

I feel this is too much of an increase in rates. Why should we pay for your continued work and increase of customers. Why not just keep our rates where they are and let the new areas deal with the increase? Just asking. It seems more fair to me, because we have already had a huge increase 3 years ago. Think about it, please.

Sincerely, Carol Skinner
